

The Power of Clarity....
Living in Your "Sweet Spot"

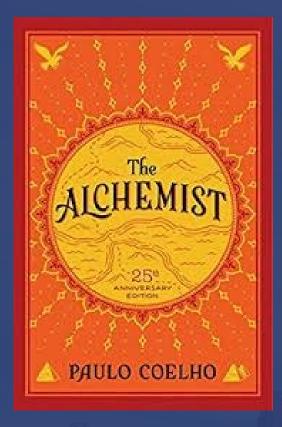

"There is a voice inside of you that whispers all day long. What's right for you – just listen to the voice that speaks inside"

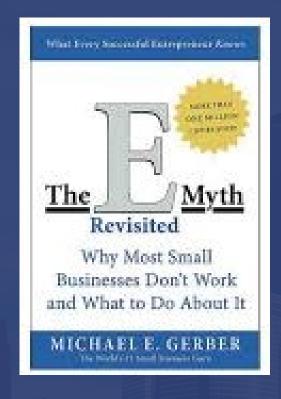

Anonymous

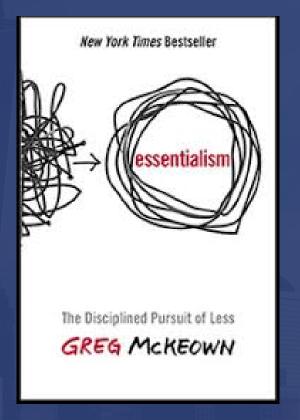

"Have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary."

Steve Jobs

The wisdom of life consists in the elimination of non-essentials. -Lin Yutang

THINKS: NON-ESSENTIALIST

ALL THINGS TO ALL PEOPLE
"I have to"
"It's ALL important"
"How can I fit it all in"

DOES:

THE UNDISCIPLINED PURSUIT OF MORE Reacts
Says "yes"
Tries to force execution

GETS:

LIVES A LIFE THAT DOES NOT SATISFY
Takes on too much, work suffers
Feels out of control
Is unsure of the "right things"
Feels overwhelmed and exhausted

ESSENTIALIST

"I choose to"
"Only a few things really matter"
"What are the trade-offs"

THE DISCIPLINED PURSUIT OF LESS
Pauses to Disern
Says "no"
Removes obstacles to make execution easy

LIVES A LIFE THAT REALLY MATTERS
Chooses carefully, loves the work
Feels in control
Gets the right things done
Experiences joy in the journey

Are You Ready?

(Everyone says they are)

Are You Able?

Of Course You Are!!

BUT...

Are you **WILLING?**

Are you willing to...

Make investments in yourself?

Go?

Do?

Change?

Let go?

Move?

Study?

Take direction?

Continue in the face of failures?

Commit yourself 100% to living the way you choose to live?

Thought to ponder...

We are in the middle of a technological revolution in our industry.

And yet...

- 1. The average income per agent has not increased.
- 2. The average number of transactions per agent has not increased
- 3. The average number of hours worked per agent has not decreased

"In our minds at least, technology is always on the verge of liberating us from personal discipline and responsibility. Only it never does and it never will. The more high tech around us, the more the need for human touch"

--John Naisbitt, MEGATRENDS

The goal for today...

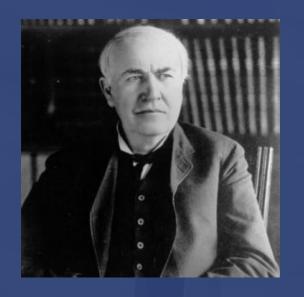

To help you to develop the mindset to allow you to do one of the following 3 things...

Make MORE INCOME with your current workload

Make the same income with LESS WORKLOAD

Make MORE INCOME with LESS WORKLOAD

"Being busy does not always mean real work. The object of all work is production and accomplishment.

Seeming to do is not doing."

-Thomas Edison

The "Life Test" is the hardest test you will ever take, even though it only has one question.

Even though others may try to help you, only YOU can answer the question correctly.

There are no wrong answers, but when you answer the question, the world falls into place and provides all that you will ever need.

What's the question?

What do you...WANT?

And more importantly...HOW do YOU want to get "it"?

You see this deal is strictly between you and yourself.

No one else is involved.

The Growth Process

INPUT THOUGHTS \leftarrow **EXPECTATIONS** CREATE LIFE

The average adult spent 147 min per day (2 hours 27 minutes) on social media in 2022. (Up 1 hour/62.5% from 2012)

-BroadbandSearch.net

That's 894 hours!

At 1/2 page per minute, and an average book length of 300 pages, you could read 89 books in a year!

The average CEO reads 60 books per year.

-Fast Company

AVERAGE TIME SPENT IN A LIFETIME

1 YEARS, 8 MONTHS DOING HOUSEWORK

1 YEARS, 11 MONTHS SOCIALIZING

2 YEARS, 2 MONTHS SHOPPING

3 YEARS, 7 MONTHS EATING & DRINKING

6 YEARS, 8 MONTHS
USING SOCIAL MEDIA

8 YEARS, 4 MONTHS WATCHING TV

26 YEARS, 5 MONTHS
SLEEPING

You cannot over-estimate the <u>unimportance</u> of practically everything.

The word priority came into the English language in the 1400's, it remained singular until the 1900's when the word priorities was invented.

Question: What's your DAILY priority?

Are you in BUSINESS or BUSYNESS?

Think back on yesterday, last week, last month...

How many things did you get done that YOU KNOW moved your business forward?

How much time did you spend doing them?

How many hours did you "work"?

How many hours are you spending per week in your career/craft?

How many of those hours are dollar productive?

What are the most dollar productive activities?

What are YOUR most dollar productive activities?

The 3 "D's" of Success

The 3 "C's" of Action

Consistency

Confidence

Proper Action

Clarity

The 3 "P's" of Growth

Practice

Prospect

Continual Growth

Present

Clarity Purpose Strategy Confidence Consistency

You will only take <u>consistent</u> action on what you believe in, are equipped to do, and is behaviorally "In Tune" with your core being.

The biggest challenge in growing any business is...

BEING INTENTIONAL

Who are you?

THE PRO...Focused on 2-3 of the possible options for lead generation, know every subtle nuance of the play, and are incredibly consistent at conversion

THE TWEENER...Dabbles in multiple strategies, but execution is sporadic and inconsistent. (Most Agents)

THE ROOKIE... "Everywhere and no where" at the same time, operating out of fear, and "chasing" business

The Big Dilemmas

1. EVERYTHING WORKS!

2. So many options...So little TIME

"TWEENER DEATH RATTLE"

"Principle of Priority" states:

- (a) You must know the difference between what is urgent and what is important
- (b) You must do what's important first.
 - Steven Pressfield, The War of Art

3 ISSUES...

SKILLS

DISCIPLINES

HABITS

EVERYTHING in our lives can be traced back to these issues!

- •TALENT AWARENESS & RECOGNITION
- •KNOWLEDGE FACTUAL/EXPERIENTIAL
- •REALITY HABIT
- •FOCUS
- CONSISTENCY
- •OTHERS

20% of the global workforce feel that their strengths are in play every day...

Two flawed assumptions...

- 1. Each person can learn to be competent in almost anything
- 2. Each person's greatest room for growth is in his or her areas of greatest weakness.

As opposed to...

- 1. Each person's talents are enduring and unique
- 2. Each person's greatest room for growth is in the areas of his or her greatest strength

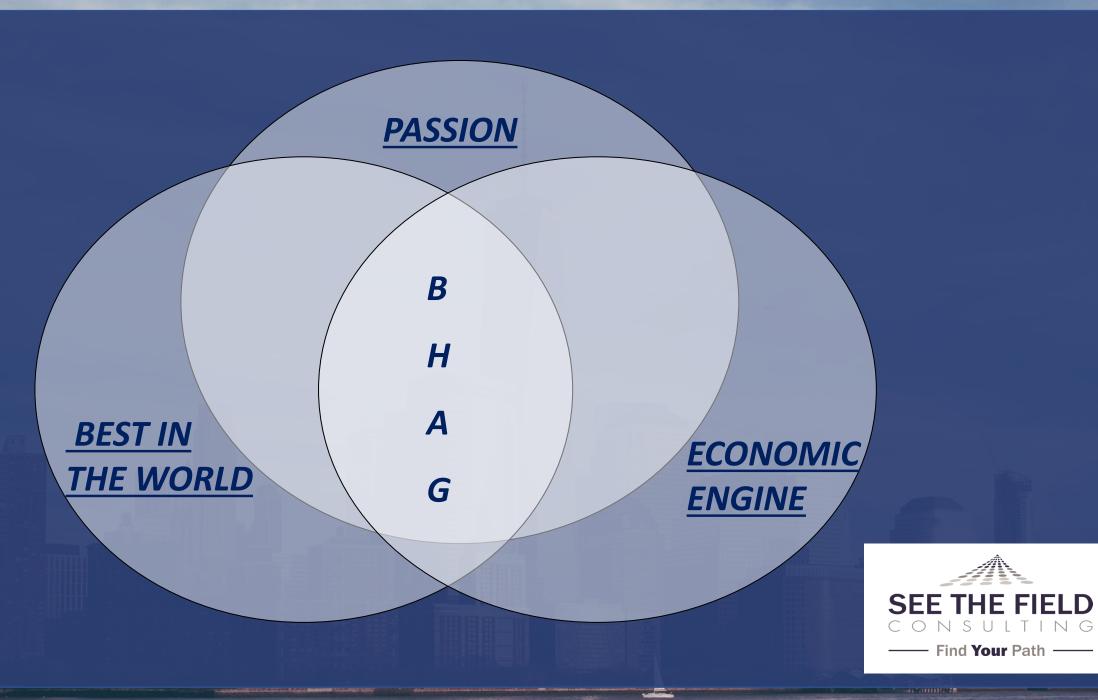

"Good" is the enemy of GREAT!!!

VS.

#2 Master Your Dialogues

To effectively convert leads...You must have INTERNALIZED DIALOGUES!!

- 4 Things you need to determine at every contact:
- 1. Does the client have a *desire* to do a transaction?
- 2. Does the client have the *ability* to do a transaction?
- 3. Would the client like some assistance from an agent?
- 4. Would the client allow you to *interview* for the position?

#3 Live in Your "Sweet Spot"

- 1.Get in the game!
- 2. Wait for YOUR pitch
- 3.Don't "Chase" bad pitches!
- 4. Hit according to your style
- 5. Always be ready to adjust

#4 Understand Your Value

Your Value is **NOT** INFORMATION!

Your Value is INTERPRETATION

#5 Practice

Embrace: The Power of 15

Beware: The Rule of Two

Become a "STUDENT OF THE GAME

#7 Stay in YOUR Process

Selling real estate is a battle of processes...

The goal of any contact is to IDENTIFY a potential client, not try to turn people into clients!

Embrace Pareto's Law

The "Stockdale Paradox"

An unwavering faith that you can and will prevail regardless of difficulties, and also have the discipline to confront the most brutal facts of your reality.

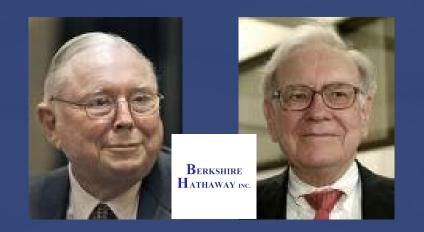

You will overestimate what you can accomplish in a year, and underestimate what you can accomplish in ten.

3 Key People To Your Success

The Power of "Partnership"

"The hardest struggle of all is to be more than the average person."

-Charles Schwab

"When we strive to become better than we are, everything around us becomes better, too."
